

Sterling Ridge Development *Holts Summit*

Elite Development Winding Down A Secluded Ridge

Elite development winding down a secluded ridge; this development is only 2 minutes from the MO River Bridge. Utilities include water, electric, phone, cable, and sewer (with no buried septic tank). Still in the Jefferson City School District with North as the Elementary School and Lewis and Clark as the Middle School. Concrete streets with curb and gutters and matching stone mail boxes make this dead end road ideal for large custom homes.
