McMICHAEL 
Team

Thank so much for taking the time to look through our magazine. The Kristina, Scott & Henry McMichael Team does everything it takes to get your home sold, which is why we started this magazine! There are a lot of people looking at magazines while waiting at doctor's offices, dentists, hospitals, hair salons, accountants, gas stations, grocery stores, etc. We make sure these magazines are all over town. Plus, we mail them to residents of Jefferson City and Holts Summit each month.

We just do more than most Realtors! We post our listings in 2 Multiple Listing Services (Jefferson City and Columbia). Our listings are on all JC and Columbia Realtor's websites, plus

our own and all the national ones, too. We use various social media techniques to get our listings noticed. Check out our Virtual Tours as they are top notch. We use the latest camera equipment to gain just the right look for your home. We even use our drone for the special shots no one else can get!

Not sure what to do to get your home read? We stage too, and at no additional cost. The McMichael Team just wants your home to sell and sell quickly.

"It's just us helping just you." Want to know more? Text us at (573) 690-2075 and we will send our Seller's Guide, which is all about us, right to your phone. Talk soon!

- AMY LUEBBERING
Senior Vice President,
Mortgage Lending

Why choose a local lender?

AMY: You might think Central Bank only finances conventional, 20% down mortgages. We do a lot more than that. We offer Conventional loans with as little as 3% down, USDA, VA, FHA, Bridge Loans, Home Equity Loans and MHDC loans.

But that's not all we do.

- We underwrite locally.
- Credit decisions are made in-house.
- We know what grant/down payment assistance funds are available to you.

We also service most of the loans we originate, so even after your loan closes, you can make payments locally. Plus, if you ever have any questions, just call or drop by and we'll discuss them.

At Central Bank, we are your neighbors, your friends and your hometown lenders. We work with you every step of the way - and that makes all the difference.

Risks of Looking at a Home Without Your Agent

BY DOREEN McCORMICK,
BUYER'S AGENT McMICHAEL TEAM

It's bound to happen: You are browsing the real estate listings one day and you notice a home that you would really like to see. Your buyer's agent isn't available or maybe you have not created a relationship with one yet.

Should you contact the listing agent directly to see the home? (Or the for sale by owner)

Technically... yes, you can. There is no rule that says you cannot contact the listing agent directly, but if you do your risks of having problems may increase.

The benefits of having a good buyer's agent are immeasurable. The listing agent represents the best interests of the seller.

As opposed to a buyer's agent who owes the buyer their undivided loyalty, confidentiality, reasonable care, obedience to lawful instruction and accountability.

Basically, they put your needs above even their own. When you purchase a home without representation, you lose all of those things.

Even if you are just viewing a home with a listing agent or a seller, if you say anything that puts you at a disadvantage the seller's agent is required to share it with the seller.

In most cases, it does not make sense to forgo using a buyer's agent. Keep in mind in most circumstances, you DO NOT pay a real estate agent to represent you when buying a home. The commission is almost always paid by the seller.

So if you want representation that will work with you as long as it takes to make a purchase, teach you the market, show you any homes you would like to see, advise you on your offer, negotiate with the seller, and be your resource... have your first call be to our buyer's agent.

Need something to read with your coffee? Look no further!! McMichael Team Blog's are available for your viewing pleasure at <https://mcmichaelrealty.net/blog>
